Frequently Asked Questions

Can males & females run/walk together?

Definitely. It is preferred that males and females selecting to run/walk alongside one another participate in the women's (8:30am) event. Males participating in the female event will not qualify for trophies. Let us know if this is your intention upon arriving for registration.

NOTE: If you will participate in an event that is not for your gender, DO NOT wear a chip during the race. Turn your chip in immediately so that you are eligible for our door prizes.

Are strollers permitted?

Strollers are permitted along the course. Please be courteous to competitive runners by positioning yourself near the back of the start line. Be aware that there is a fairly steep hill along the trail. Safety is our first concern.

Is the location handicap accessible?

Yes. The bridge that leads to the 5K course includes a ramp. The course is not paved, so it is up to the discretion of each individual as to whether the trail is unsafe – please use your best judgment. As is the case with strollers, be courteous to competitive runners.

Are dogs permitted?

Dogs are allowed on the course during the event *only* if they are on a leash at all times (and held by a responsible person). Please be courteous to competitive runners by positioning yourself near the back of the start line.

McAlpine Park also has a fenced-in dog park where dogs can be let off of their leash.

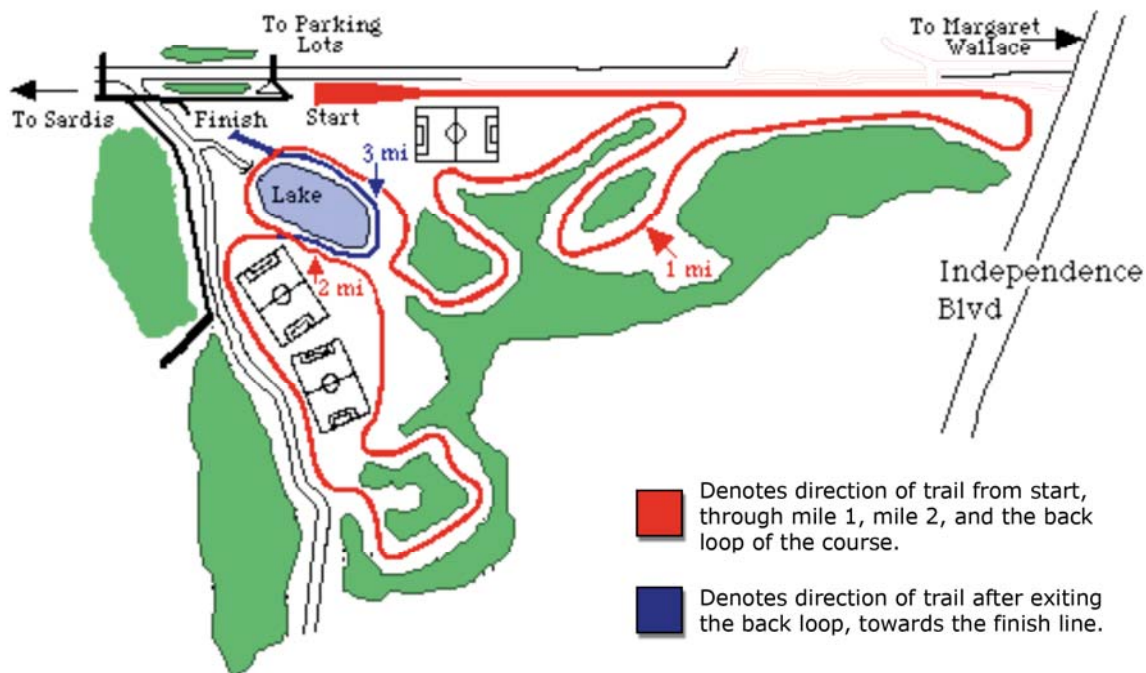

Will this event take place rain or shine?

Our 5K run/walk will take place rain or shine. In the event of severe weather, the Charlotte Run for Peace at Home may be cancelled. Cancellation would only take place to ensure the safety of our participants and volunteers.
